How to Cut and Use Your Cards

Cutting Instructions

1. Print this document double-sided (flip on short edge)
2. Each page contains 1 front card and 1 back card
3. Cut along the dotted lines (marked below)
4. You should have individual cards with Twi on one side
and English on the other side
5. Shuffle and practice!

Practice Tips:

- Start with 10-15 cards per session
- Separate cards into "Know" and "Need to Learn" piles
- Review the "Need to Learn" pile more often
- Practice with a friend — quiz each other
- Say each word out loud — pronunciation matters!
